

Coorow Primary School

Learning for Life

The mini Quill

Term 2, Week 2

Dear parents and carers,

Are we really only up to week 2? Last week raced by in a blur. Easter chocolate seems like a dream, and I feel like we have been back at school for ages. It has been great to walk into the classrooms and see all the students busy and enjoying their learning.

Term overviews have been sent in the same Audiri post as this miniQuill so you can see what your children will be working on this term. We hope the overviews will help you and your children make connections between their school work and everyday life. This helps to make what they learn at school more relevant and meaningful for them.

Have a great week. Don't forget to grab your tickets for the great go-kart raffle before the winners are drawn at sport on Saturday!

Week 2

Monday 5 May	Breakfast club Mother's Day event – parents arrive at 1 to eat lunch with their children P&C meeting – Coorow Hotel, 6.30pm Mrs Criddle away – relief Emma Ryan
Tuesday 6 May	Staff meeting Mrs Criddle away – relief Emma Ryan
Wednesday 7 May	Breakfast club Mrs Criddle away – relief Emma Ryan
Thursday 8 May	Football clinic with visiting coach during PE
Friday 9 May	Breakfast club

Pre-Primary Speed Reading Challenge

The Pre-Primaries will soon begin completing a speed reading challenge to help them develop fluent reading skills. PP parents, please see the note attached to the same post as the miniQuill.

Mother's Day

We hope that you will be able to make it along to our Mother's Day celebration on Monday. Please come along at 1pm – the children sit to eat their lunch at 1.05, so you may like to bring a packed lunch and eat with them before the activities begin at 1.20.

Our Mother's Day activities this year are celebrating the International Day of Play, as play is the most enjoyable way for children (and adults) to learn. Weather permitting, some of the activities will be outside, so the dress code is definitely not 'dress-to-impress'.
