2026 SCHOOL CHARGES AND CONTRIBUTIONS

1. Voluntary Contributions

Parents and caregivers are asked to pay a **voluntary contribution of \$50.00 per student**, in line with the School Education Regulations 2000. This amount has remained unchanged since **2015**, equating to approximately **\$1.25 per week** over the school year. Contributions are not due until Term 1, 2026.

All contributions are used directly for the benefit of students, assisting in the purchase of resources for curriculum learning areas. These funds help to enhance the quality of teaching and learning programs by supplementing State and Commonwealth government funding.

If you are experiencing financial difficulty, please contact the school office to arrange a payment plan. The school strives to keep contributions to a minimum while ensuring the best educational outcomes for all students.

The table below gives you the breakdown of how your contribution will be directed.

3. Personal Use Items

The list of personal use items varies between year groups and includes essential classroom materials such as stationery and other learning resources. These items are required for students’ personal use during lessons. Parents and caregivers may purchase items from any supplier of their choice. In the interest of sustainability, families are encouraged to reuse items from the previous year if they are still in good condition.

At times, the school may offer optional items or activities that are not directly part of the educational program—for example, class photographs or Scholastic Book Club purchases. Participation in these is entirely voluntary, and there is no obligation to make these purchases.

4. Other Voluntary Funds

Other voluntary funds at Coorow Primary School include a \$2.00 contribution for membership of the P & C Association. This will be issued and collected by P&C.
