

# 2026 Strategic Plan Coorow Primary School

## **Priority 1: For Coorow Primary to have a safe and supportive learning environment**

### **Goal 1: Maintain high quality and functionality of learning facilities**

- Ensure each space is optimally capable of fulfilling its purpose and meets student needs
- Increase the amount of space available for play in hot and wet weather

#### **Achieved when:**

- Space audits completed showing effective and improved use (Jan-Dec)
- Enclosed ECE verandah, cover over basketball court

### **Goal 2: Ensure financial, software and workforce resources are managed optimally.**

- Use school finances to meet school priorities
- Manage smooth transition to Kaartdijin Solution
- Maintain a strong workforce plan

#### **Achieved when:**

- Staff understand financial practices
- Workforce Plan update completed
- Staff trained and using Kaartdijin optimally

## **Priority 2: For Coorow Primary to achieve high quality teaching and excellent student achievement**

### **Goal 1: Ensure staff are trained and able to complete roles to highest abilities**

- Ensure all staff complete professional development that supports school programs and student needs
- Foster a culture of collaborative improvement and academic excellence
- Create a staff workload and wellbeing policy

#### **Achieved when:**

- Targeted Professional Learning shared in staff meetings and communicated to the community
- Embedded use CPS Teaching and Learning Framework
- Published Staff Health and Wellbeing policy

## **Priority 3: Create and maintain meaningful, supportive and sustainable relationships**

### **Goal 1: Proactively promote positive relationships to benefit students and the school community**

- Maintain 3Ups program, P&C, School Board
- Integrate Respectful Relationships Education, Action Respect Project and The Fathering Project

#### **Achieved when:**

- 3Ups completed
- One event/parent workshop per term for parents to engage with school
- Students participate in a community event at least once per year
- The Fathering Project fully implemented and self-sustaining
- At least one academic opportunity per year for students to interact with other schools
